

Unauthorized Tampering

Unauthorized Tampering with Measuring Devices

Section 18-4309 of the Idaho Code states every person who shall willfully wastewater for irrigation, or who shall willfully open, close, change or disturb, or interfere with, any headgate, water box, valve, or measuring or regulation device, without authority, shall be guilty of a misdemeanor.

Injury to Measuring Devices

Section 18-4307 of the Idaho Code states that any person or persons who shall cut, break, injure, destroy, enlarge, change, or alter any headgate, sluiceway, weir, water box or other measuring device, of any irrigation district, corporation or association or persons, or in the possession of, or in the use of, said irrigation district, corporation, or association, or the property of another, shall be guilty of a misdemeanor.

If you are in need of any change in water flow from a measuring device, please contact your Ditchrider. You may also contact the Office.
